ADVANTAGES

RAY Residence; Mini Halo Tilt with Compact design.

– Compact design with die-casting zinc.
– IP20.
– Suitable for standard LED MR11 engines, modules and bulbs.
– Honeycomb optional.
– 5-year guarantee.

Part of our **Residence** range, the **Mini Halo Recessed Housing (Tilt)** is the perfect way to fit a recessed light fitting once plastering is completed. All Residence products are interchangeable with rotolock position fixing. The added benefit of the Mini Halo Tilt is 30° tilt technology, meaning that the beam of light can be angled to suit your space.
